The Pennsylvania State University (PSU) wants to first thank the 13 submitting teams that expressed interest in this project. After careful review of the submitted Letters of Interest, we congratulate the eight (8) A/E teams who were selected to continue to the next step in the process: invitation to respond to this Request for Proposal (RFP).

Due to the secure and sensitive nature of this facility and its campus-wide infrastructure connectivity, the information shared from this point forward will be confidential and only provided to the long-listed firms.

Thank you for your participation in this A/E Team Selection process.

Respectfully,

Greg Kufner, AIA, NCARB
