

DATE: June 2, 2022

SUBJECT: **Short-list – Architect/ Engineering Team Selection**
Sackett Building Renovation and Additions
University Park, PA

TO: **Short-Listed Teams**
Ann Beha Architects
HGA
KieranTimberlake

The Screening Committee met to determine the Short-List and selected the above three (3) teams who will be interviewed for the project at the Penn Stater in State College on **June 30, 2022**. The Screening Committee wants to thank each of the nine (9) firms that submitted Proposals for this project. The collective response was strong, and we appreciate everyone's efforts.

We will email a subsequent "Interview Notice" to the Short-Listed Teams on or before June 9, 2022. The Interview Notice will include further interview-related information and instructions.

The in-person interviews will consist of a 50-minute timed presentation, followed by a 40-minute timed question and answer session. In the interview, your team should clearly describe why you believe you are the best team for the project, including explaining your team's differentiators. The forthcoming Interview Notice will provide the specific (minimum) topics that we want to hear about in your presentation. We limit the team to nine (9) presenters and strongly prefer to meet with key team members, including consultants, whom we will be working with regularly. Executive-level representatives who will not participate in the design and construction phases should not attend.

PSU will provide a **Non-Binding Fee Form** within the Interview Notice that we will only consider if there is a major discrepancy between the fees.

The result of the interviews will be emailed to the Short-Listed Team shortly after the interviews and published on the PSU OPP website. Questions should be directed to me (info below) or Brian Hayes, Facility Project Manager, (814) 863-4665/ bwh11@psu.edu. Again, thank you to all the A/E Teams, and we look forward to future opportunities.

Sincerely,

Greg Kufner, AIA, NCARB
