A projection screen will be provided for your use.

In the event that your team is selected, we will show the Board of Trustees examples representative of your architectural designs; with this in mind, we require that you submit to us photographs in digital format no later than 12:00 noon on Monday July 17, 2017. Requirements for the photographs are described in the attached sheet. It is important that the photographs be representative of the type of project and function that we are addressing.

The result of the interviews will be announced at the Board of Trustees meeting on Friday July 21, 2017 and posted to our website.

Questions, comments, or additional information requests should be directed to Rachel Prinkey, Project Manager, rbp13@psu.edu, 814-867-1536.
