

ChemWipe Instruction Sheet for Classrooms

ChemWipe Bucket:

- Disposable wipe cleaning system.
- Bucket is reusable. **Do not throw away or remove when empty.**
- 180 wipes per roll.
- Each bucket is filled with Betco™ GE Fight Bac RTU, registered on EPA List N as effective against Sars-Cov-2.
- Use disinfectant wipes to clean and disinfect frequently touched surfaces in the classroom such as:
 - Chairs
 - Light switches
 - Door handles
 - Computers, keyboards, mice
 - Touch screens
 - Tables
 - Trash receptacles
 - Printers
 - Desktops
 - Podiums
 - Chalk tray rails
- Used wipes should be disposed of in the waste can provided at the front of the classroom

ChemWipe Refills:

- Refills will be provided by OPP Custodial.
- Keep your ChemWipe bucket in place when empty.
- Call the classroom hotline to request a refill. Give the building name and room number.
 - **PSU classroom phone only:**
8-863-6000
 - **Personal cell phone:**
1-814-863-6000
- OPP Custodial will send someone to refill your ChemWipe Bucket with a roll of wipes and a bottle of Betco™ GE Fight Bac RTU as quickly as possible.
