

COVID-19 Planning Application: - Download COVID-19 Suggested Capacities -

Space Manager

Open the Space Manager Application in LionSpaceFIS.
*COVID Capacities can be viewed in the COVID-19 Planning application. Downloads of suggested capacities are done from Space Manager.

1. Search the room level.
2. Turn on the Filter Option.
3. Select your admin area.
4. Filter out Room Types. Alternatively these can be filtered in Excel after the download.

Space Manager

Search Rooms

Filters: Saved Filters, Campus, Building, Budget, Room Type, Room Function, Net Area, Availability, Admin Area, Clear Filters

Campus	Building	Floor	Room Number	Budget	Room Type	Room Function
University Park	Research Unit A	G	101	0400479 UP - Ag & Biological Engin	310 - Faculty Office	03 - Faculty Off
