

DATE: September 4, 2013

SUBJECT: Data Centers,
University Park & Hershey Medical Center

TO: Short Listed Firms

IDC Architects
Jacobs KlingStubbins
RTKL

I am pleased to inform you that the above listed firms have been chosen to be interviewed by the Screening Committee in anticipation of selecting a team for appointment by the Board of Trustees.

Interviews will be conducted at The Penn Stater Conference Center, University Park on Monday, September 16, 2013. The interview schedule is as follows:

IDC Architects	10:30 A.M. – 11:30 A.M.	Room 106
Jacobs KlingStubbins	12:30 P.M. – 1:30 P.M.	Room 106
RTKL	1:40 P.M. – 2:40 P.M.	Room 105

Each firm will be limited to no more than 40 minutes for their presentation allowing us 20 minutes for follow-up questions. The interview rooms will be available half an hour before your assigned time. I urge you to use the time wisely and refrain from simply repeating the material already submitted in your proposal. We are most interested in your approach to our specific project at both sites, your understanding of the key issues that will shape it at both sites, and any initial broad ideas or concepts that you may have developed during this process. In addition, there are two issues that we expect you to address specifically:

1. Review in detail how you plan to staff and manage the project at each site.
2. How do you address diversity within your team.

As you prepare your presentation, be aware that we have considered a minor change in the siting of the facility at University Park by reversing the location of the initial phase and the future expansion in order to provide some flexibility in the schedule for demolition of the Mushroom Research Center. It is most important to us that the key team members assigned to this project and any major consultants be present for the interview; however, please limit the number of team attendees to five. A projection screen will be provided for your use.

In the event that your firm is selected, we will show the Board of Trustees examples representative of your work; with this in mind, we require that you submit to us photographs in digital format no later than 12:00 noon on Monday September 16, 2013. Requirements for the photographs are described in the attached sheet. It is important that the photographs be representative of the type of project and function that we are addressing. In addition, I have also included a diagram of the interview room.

The result of the interviews will be announced at the Board of Trustees meeting on Friday September 20, 2013 and posted to our website.

Please do not hesitate to call me if we can be of further assistance.

Sincerely,

David Zehngut
University Architect

REQUIREMENTS FOR COLOR PHOTOGRAPHS OF BUILT PROJECTS

Examples of the Architect's / Engineers's built projects are required for presentation to the Board of Trustees as part of the approval process. Images will be used for a Powerpoint presentation and will be projected.

Approximately (12) high quality exterior and (6) high quality interior photos should be submitted along with a very brief description of each photo. Photos must be of BUILT projects and should be relevant to the proposed project. Hand drawn renderings, computer drawn renderings and models, and photos of study models will NOT be accepted. Please send digital photographs that meet the following minimum standards.

Minimum photo dimensions:

6.5 x 10 inches (975 x 1500 pixels)

Minimum resolution: 150 pixels/inch

(Photos will be inserted into Powerpoint with a 16:9 aspect ratio at a maximum resolution of 220pixels/inch)

Preferred photo formats: .tif, .jpg, .gif for use in a PC environment

File transfer methods:

- email is preferred with a maximum attachment file size of about 5mb/email.
- Files may be zipped (compressed) using WinZip and/or emailed individually.
- photos on CD-rom or thumbdrive are acceptable.

Photos should NOT contain any text. A descriptive reference document should be included that provides a project name and location for each photo. Please send to:
