I am pleased to inform you that your team is one of three chosen to be interviewed by the Screening Committee in anticipation of selecting a team for appointment by the Board of Trustees.

Interviews will be conducted at the Physical Plant Building, University Park on Monday December 13, 2010. The interview schedule is as follows:

Buchart Horn, Inc. /Basco Associates	9:00 A.M. - 10:00 A.M.	Room 214
Hazen and Sawyer	10:10 A.M. – 11:10 A.M.	Room 105
HRG	11:20 A.M. – 12:20 P.M.	Room 214

In order to maximize the efficiency of the interview process and provide us with ample time to ask questions, you will be limited to no more than 30 minutes for your presentation allowing us 30 minutes for follow-up questions. I urge you to use the time wisely and refrain from simply repeating the material already submitted in your proposal. We are most interested in your approach to our specific project, your understanding of the key issues and any initial broad ideas or concepts that you may have developed during this process. In addition, we plan on forwarding to you a number of follow-up questions by the middle of next week and expect that you will include your answers in the presentation. It is most important to us that the key team members assigned to this project and any major consultants be present for the interview; however, please limit the number of team attendees to five. A screen and three easels will be provided for your use.

In the event that your firm is selected, we will show the Board of Trustees examples representative of your work; with this in mind, we require that you submit to us photographs in digital format no later than 12:00 noon on Monday January 10, 2011. Requirements for the photographs are described in the attached sheet. It is important that the photographs be representative of the type of project and function that we are addressing.

The result of the interviews will be announced at the Board of Trustees meeting on Friday January 21, 2011 and will be posted to our website by 5:00 P.M. that day.
