The Screening Committee has selected the above listed teams for submission to the Board of Trustees Subcommittee on Architect/Engineer Selection. Interviews will be conducted at The Penn Stater Conference Center, University Park on Tuesday November 10, 2015. The interview schedule is as follows:

P.J. Dick/Perkins Eastman	10:30 A.M. – 11:45 A.M.	Room 105
Poole Anderson Constr./Hoffman Leakey Arch.	12:30 P.M. – 1:45 P.M.	Room 105
Turner/Ayers Saint Gross/Noelker and Hull	2:00 P.M. – 3:15 P.M.	Room 104

Each team will be limited to no more than 50 minutes for their presentation allowing us 25 minutes for follow-up questions. The interview rooms will be available half an hour before your assigned time. I urge you to use the time wisely and refrain from simply repeating the material already submitted in your proposal. We are most interested in your approach to our specific project, your understanding of the key issues that will shape it, and any initial broad ideas or concepts that you may have developed during this process. It is most important to us that the key team members assigned to this project and any major consultants be present for the interview; however, please limit the number of team attendees to nine. A projection screen will be provided for your use.

In the event that your team is selected, we will show the Board of Trustees examples representative of your architectural designs; with this in mind, we require that you submit to us photographs in digital format no later than 12:00 noon on Monday November 9, 2015. Requirements for the photographs are described in the attached sheet. It is important that the photographs be representative of the type of project and function that we are addressing. In addition, I have also included a diagram of the interview room.

The result of the interviews will be announced at the Board of Trustees meeting on Friday November 20, 2015 and posted to our website.

Please do not hesitate to call me if we can be of further assistance.

Sincerely,

David Zehngut
